

جمعية أنصار الإنسان *Human Supporters Association*

August Newsletter 2010

The 3rd of august 2010 , H.S.A with the cooperation of the Planet action team from LYON – France , started the smile together summer camp , which was implemented for 40 kids aged between 9-12 years old . The summer camp finished in the 9th of august 2010 . The camp Included a lot of activities and departments, such as competitions, educational and art departments. This camp was special for the children, because of the new sport they learned ,which is wrestling, which was implemented by specialist from the French team .

In the 11th of august , Ramadan had arrived , That was the reason of why the H.S.A made a lot of group breakfasting days in the association , where they also invited the employees , the V.O.K group , the dabka dancing team , and some of the children's families who are participating in the association activities .

An Italian delegation had visited the H.S.A for 4 days , the visit included the old city . The projects coordinator MR.WAJDI explained them the psycho-sociological situation for the families who lives in the old city of Nablus , and he also played some movies and made some lectures to explain more about the situation .

The V.O.K group had started adding the last touches in the articles which they wrote through the third phase of the project , as they are also choosing the pictures and colors which they are going to add to their magazine , they do the whole decorating thing on their daily work at the association .
