December Newsletter 2011

First of all human supporters association would like to Congratulate you all for the new year wishing to be a beautiful year full of success and enjoyment for all of you.

PROMOTING CHILDREN, YOUTH, AND WOMEN, EDUCATION AND PSYCHOLOGICAL WELLBING IN NABLUS –OLD CITY

This month the teacher have finished the school support activities – “second grade “for this stage with a beautiful party for the children and their families, in the party they have offered Certificate for the children to congratulate them for ending this stage with a huge success, the party was enjoyable for all the participants due to the dancing music and other activities conducted during the day.

As the illiteracy classes for the women and dropped out are running perfectly. For the women in addition of the classes we offer them sport activities in the yard of HSA, these exercises are giving the women the motivation to attend regularly to our sessions.

One of the beautiful things has been conducted during December, a course called origami was offered by a French trainer called gween, this origami teaching the children to make beautiful shapes using papers. Like flying birds or frog ...etc. The group of the children had a wonderful time during the course.
