March 2014 Newsletter

School Support Program

The activities of the program Still continuing for the second month in a row, and as we mentioned earlier, the number of children has reached 130 children, male and female, from the age of 7-10 years, and lessons are offered in Arabic and English and mathematics non educational method, and through modern methods of learning, where students are

strengthened in these materials, and that is done by 6 teachers by 3 days per week as two teachers for each subject.

The activities are presented almost daily in the headquarters of The Human Supporters Association in the city of Nablus.

School Support teachers' Initiative

Teachers who are participating in the School support program started initiatives in addition to what they are doing in the School support program , as these initiatives are different in their goals and in the targeted group.

Some of these initiatives:

- 1- Miss Mais Aloul: The Miss Mais the English language teacher for children from the second, third and fourth grade, has her own initiative since the beginning of the project where she made a weekly activity in the public library to encourage reading.
- 2- Miss Dana Maqbol and Mrs Hayat Abu Lawi : Miss Dana is teaching Arabic for 2nd, 3rd and 4th grade, and Mrs Hatat is teaching Mathematics for 3rd, 4th, and 5th grade. And their initiative to carry out each week to hold training workshops for mothers to teach them methods of dealing with kids in education and how to teach them at home, and at the same time benefit the mothers of this initiative to develop their abilities and renew their knowledge and thus taking a bigger role in the development of their children.
- 3- Mr. Ehab Ghafri : Mr. Ehab is teaching Mathematics for 2nd, 3rd, and 4th grade, and he is doing a weekly training for kids, where they can learn some theatre skills and performing.
- 4- Mr. Obaid Abu Bakir: Mr. Obaid is teaching Arabic for 3rd, 4th, and 5th grade, and he is doing an initiative about teaching Dabkeh (Palestinian traditional dancing) for kids every week.

Character of the Month

Dyala Abo Zaror

Miss Dyala Abu Zaror 22-year-old a volunteer and Dabkeh trainer in Human Supporters Association, and is studying Economy in Najah National University and is involved in several youth and national activities.

Miss Dyala talking about her experience in the Human Supporters Association: "I am a volunteer in the association since 2011 and has participated in several activities and courses and workshops, and has benefited a lot from these experiences, and HSA has given me the opportunity to show my talent in Dabkeh, and therefore I became the trainer of the Dabkeh in the association, and I am very happy for this opportunity where I can share this art with others and publish it over .

And also participated in the You'r Right project in 2011 which was an Italian-Palestinian cooperation with HSA's volunteers, where we traveled to Italy and we made a big show out there, and participated in the second part of this project in 2013 and it was successful as well .

I will remain grateful to the Association which gave me a chance to show my talent and allowing me to share it with others, and I'd be more than happy to give all my knowledge and art to keep the name of the association classy as it should be. "

International Volunteers

Human Supporters Association always open the opportunities for international volunteers and locals alike, the volunteer Peter from Britain and volunteer Ellen from France joined the Association recently, to do their volunteering work, including language courses, helping School Support program, athletic training for the football team, and assist in administrative work.

Human Supporters Association never forget all the effort done by volunteers, so they have free Arabic language courses in on several levels, and are introducing them to the culture and traditions.

Bands in Human Supporters Association

The artistic groups in Human Supporters Association (Dabke dance ,Robot dance and Silent dance)are getting ready to work through the various performances by next month, in a number of events and festivals with other institutions

An official French delegation of the French Development Agency visiting the Association for future cooperation

An official French delegation of the French Development Agency visited the Association, to be introduced to the activities in the association, and Mr. WajdiYaesh started to talk about the activities and the targeted groups, which is the mostly marginalized people, and the delegation was very impressed about these activities and how it help the society, and they were more interested to know more.

Also there was a discussion about the French projects in the next funding sources and training center, which will be organized with the AHRC Foundation, Lilac Foundation, Cemea, and Human Supporters Association.

Then they watched a Dabkeh performance and a performance of the Dance Boys, and they were impressed with these performances, and were very happy about the activities and the opportunities that everyone can have in the association.
