## **Newsletter MARCH 2012**

### **PROMOTING CHILDREN, YOUTH, AND WOMEN, EDUCATION AND PSYCHOLOGICAL WELLBEING IN NABLUS –OLD CITY**

During march the school support program activities were started actively with many educational means that will help the children to cope at school and get a better educational levels with high personal benefits, As usual, the program teachers provided Arabic language, mathematics and English language classes to targeted groups. As well as the illiteracy program activities, providing Arabic language and mathematics classes for women and those who dropped out

#### **VOICE of KIDS**

The voice of kid's team is still organizing a weekly workshop, in which several entertaining activities –including several educational games- were carried out. Kids expressed their joy participating in this project, as they are preparing the magazine the expected to be printed in the next couple months.

#### **:HUMAN RIGHTS THEATER PROJECT**

In march all the youth involved in the human rights theater project made a show in the church, Every group presented a show for one right, the day was full of pleasure and accomplishment for all the groups, Many families participated actively in this event

#### **:SPORT FOR WOMEN AND GIRLS**

Sport classes for women and girls were continued in march . Women classes were conducted at the association's headquarter, while girls' classes were conducted at Al-Fatimia school. Both women and girls realize how important these sport classes are in enhancing their health.

#### **ENGLISH CLASSES FOR WOMEN**

Human rights theater project coordinator volunteered to provide an English course to women attending illiteracy classes. This course included basic English activities and exercises. Attendees considered this course an important one since they are going to practice what they have learned in it with their children, helping them building their English skills as well.
