HSA start implementing program school support it aims improving the educational level for children. The project targets children who have difficulty learning, low achieving and psychological and family problems ,it received 60 boys and girls aged 7-10year, they come after school every ( Sunday-Monday-Wednesday).

At 2:00 Am in a week, the teachers teaching them ( Arabic and English language and Math ), in a Non-academic way, and sometime they make Educational and recreational activities for them tofeel they are in a different place not like school to don't feel bored .

BACK to SCHOOL

# Women

## Club

HSA continue to hold a meeting with women every Tuesday to discuss different issues with them, once a week at 10:00 AM, in these meeting they met and discussed subject which meet their interest as sports and yoga and some subject about “ A journey to one's Self and Psychological discharge .

The club aims to give women an opportunity to participate in some meetings held by HSA, to benefit from it, and allow to them :  
Spend a special time in their daily lives and .  
participate in the expression of their opinions and problems spend nice time together and make new friendships, gain new experiences and learn new things in their life .spend useful time by doing sport every morning ,it make them to feel comfortable and active .

# YOUTH

Workshop for

One of the activities offered by HSA for youth is : Psychological and Social programs, such as “ A journey to one's Self, and the role of drama in creating stereotypes about women”. Its for the youth aged 18-30 years, which held twice a week " Wednesday and Thursday " at 2:00 pm Youth meet together to discuss some community issues and learn new information in a different subjects ,and an opportunity to express their opinions about what they feel inside them, also spend useful time together .

One of the goals offered by HSA for youth ,is to provide a comfortable and secure environment for them, also offer free activities that enables them to participate in a different activities, and build strong friendships together.

# French Deledation

HSA has welcomed french delegation , we introduce them to the association through some short videos, then some topics about the association had been discussed with them such as the activities they provide to different groups of the society .

we accompanied them to have a tour in the old city of Nablus in order to show them the historical part of Nablus and have a true story about the real situation .

# D A B K E Workshop

HSA started a new training of Dabke for children (girls and boys), aged 7-12 years, by Tala trainer, every Tuesday and Thursday at 2:00 am.

She started teach them " basic movements of Dabke ", through dancing of the traditional songs to create new show by children .

The aims of this course: revive Palestinian heritage and teach children how to work in the group, and discover some of their talent and development it.

Tala Hlehel :

She is 18 years old, she was One of the trainee in the Dabke team since childhood, and now she is official coach of Dabke in HAS .
