First, we would like to congratulate the Islamic community for Eid, this yearly social event the bring family and dears together. Wishing that you had the best time in this beautiful social event, hope you shared you enjoyment and love with all of your dears, family and friends form Christians and Samaritans

PROMOTING CHILDREN, YOUTH, AND WOMEN, EDUCATION AND PSYCHOLOGICAL WELLBING IN NABLUS –OLD CITY

According to our experience since the last year in the project, this year we have planed, new work methodology that fits with the new changes in the program. In the school support program we choose 120 children in needs from both boys and girls from two new schools located around the old city of Nablus, as two new tutors became part of HAS family, the manger of CISS have visited the schools and check closely the running of the programs and prized on our work with the children, youth, and women.

on Saturday 2011 , the project manager Mr.salvo with the project coordinator Mr. Wajdi yaesh have conducted a graduation day for the women who finished the illiteracy classes successful in the first year. the ceremony has been conducted in HSA yard, included presentation certificates distribution.

HUMAN RIGHTS THEATRE PROJECT SECOND STAGE:

Due to the third stage the youth in the human rights theater project have acted many short plays from their daily life, they played what they feel and think, and reflected in the role of the teachers in the school, the bad behavior of soldiers in the checkpoints and many other things from their lives. The 70 youth involved in the project were invited to an open day in the October 1st; in this event the youth presented their artwork and shared the food and enjoyment together.

PUPPETS THEATER:

In October the children have made their final shows, they invited many children from the old city and other places, in the event they presented their plays and spoke about it with the children, their stories were full of educational means that were fully rewording in the children's lives, as they sang and danced during the events.
