

Human Supporters Association Monthly Newsletter May\2014

School Support (Final month)

After 4 months of hard working, and giving classes in English , Math and Arabic to about 130 kids aged from 7-11 years old .

By the end of the project, Human Supporters Association surprised the children by making a graduation party for them as a reward for their commitment and improvement , the Graduation party included clowning show , and a gift with a certificate for all the kids.

Clowning

A group of clowns from Spain, and with a collaboration with Human Supporters Association did a number of entertainment performances for children in the city of Nablus, and this included an entertainment performances for children who are beneficiaries of the programs of the association at the headquarters of Human Supporters Association, and in the Balata refugee camp, where the number of children was nearly 200 children from various ages, as well as the clowns performed for the children in the and Rafidya hospital and Al-Watani hospital in Nablus.

The parents and children expressed in general about their happiness of these performances, and especially to the positive impact that children had because of it , especially in hospitals, where the kids interaction with the performances with vitality and happiness.

Workshop for kids about risk and the education the use of the Internet

The police department represented with Lieutenant Mr. Mohammad Hajji and in collaboration with the Human Supporters Association , held a workshop for children titled (risk and the education the use of the Internet), where the workshop was held at the headquarters of Human Supporters Association and with a presence of nearly 20 children from the age of 10-13 years.

The workshop included talk and discussion with the kids about how to use the Internet in a civilized manner and useful way, and how to deal with the sites properly and useful manner.

HSA on Focus

Ameed Irshaid

21 years old , Mr. Ameer Irshaid from Nablus , one of the volunteers in Human Supporters Association for many years.

He started many years ago , when he started taking Dabkeh classes (traditional Palestinian dance) , then after a while he became more involved in activities in the association , and started to train Dabkeh , and started to work in summer camps as an animator .

Ameer : “ I am very grateful for being in the association , and I am looking forward to keep on training the Dabkeh , because it is a very important part of our culture”.
