FESTICLOWN 2014

In cooperation with the Spanish institution (Pallasos en rebeldia) Human Supporters Association organized a Festiclown 2 in Nablus , it started since the 1st of October till the 9th , and it included many activities and workshops .

It started with the street show with all the clowns and HSA volunteers , then all the clowns started to go to the hospitals , refugee camps and health centers and do their show , also during that time workshops of clowning and laugh therapy were held up in Human Supporters Association headquarter .

And in the final day a big festival was held up in theatre of Jamal Abd Naser park , with attendance of thousands of people from the city and the areas around . this show included clowning , magic , Dabkeh and dance.

It is worth to mention that Human Supporters Association is working hard to find the way of entertaining and help people , especially the children , because of all the hard situation that the Palestinian society going through and live.

Delegations and International friends

Many delegations from french organizations including (HAMAP,CEMEA, and AFPS) visited Human Supporters Association , and as usual the team of associations talked about the activities and the history of the association and the beginnings ,

then they were taken to a tour in the old city of Nablus , and they were informed about the political history and the conflict that the city went through during the invasion.

And during the visits, Human supporters Association team proposed some future projects , hoping to have new partners and supporting in the future.

HSA on focus

Nagham Shakshir

Nagham 20 years old from Nablus , is in the 3rd year in Najah National University , studying Psychologist.

Nagham started to volunteer in Human Supporters Association since last year , and participated in many activities such as theatre , educational and psychological support.

A variety in the activities in the association , and that gives a lot of choices to the volunteers to find out what they are good at and what they like

Also meeting people from different backgrounds helps me to expand my knowledge and strengthening my language.

I am so happy to be here , because I met many people who are my friends now , and meeting people especially kids that I am able to support them while I am in the association , and I hope that I keep on doing that ."
