HSA continuing Dabkeh lessons by " Tala trainer " for children aged 7-12 years two days a week, the children were taught the basic for Dabkeh, and now they started learn how to create some shows by themselves .

This workshop aims to teach them how to dance and how to live in groups, it allow them to discover their talents and to express it, make new friends.

Sustainable Development through
Humanitarian Aid Volunteering

H.S.A Participated in one week seminar in #Estonia to discuss and get #training about #volunteering management, #conflict management, #advocacy and #networking. The partners learn how to better work with different stakeholders and develop new networks and campaigns, as well as how to better understand different cultures and behaviours .

Women Club

After the holy month " Ramadan ", the women met together in HSA every Monday, and discussed different issues with them, once a week at 10:30. In this meeting they talked about their situation during Ramadan and about what they cooked, what they did with their relatives as well as the places they visited. They also talked about celebrating " Eid Al fitr ", discussed about Eid in general and at the end they played some activities together .

The club aims to give women an opportunity to participate in some meetings held by HSA, to benefit from it, and to allow them to Spend a special time in their daily lives .

They can participate by expressing their opinions and problems, spending nice time together, making friendships, gaining new experiences and learning new things in their life.

Small Park-Big run

Human supporters association participated with Run for freedomr with different groups , we participated in a marathon which started at 14:00, and it happened exactly at the same time in Uk ,that aimed for awareness of Palestinian people issues, at the end we did tele match games for children and families, after we finished ,the winners got medals for every participant in the event, everyone done activity with smile on their faces that copied on memorable picture.

BAFA

Human supporters Association implemented BAFA workshop that lasted three days and that intended to improve the participant's ways of leading and dealing with children.

It gave them fresh perspectives to perfectly prepare them for the organization of the summer camp , will be implement in july by HSA .

BAFA training opened a discussion about leadership , what is a good leader, how leaders can use their power in an efficient way, how pitfalls can be avoided, the ethics of using power. The course also covered responsibilities, duties and rights of a leader in the summer camp as well as boundaries to be respected when working with youth.

The participants learnt more about their personalities by looking at their own boundaries and how to cope with their fears. They also explored ways of how to empower themselves when facing issues or difficulties both in their daily lives and in the context of working with children .

Welcome leila

Human supporters Association is happy to welcome the first EU Aid Volunteer (EUAV) in Nablus. We started the welcoming training to prepare the volunteer for the deployment and the missions .
