American Delegation

HSA has welcomed An american delegation from "Tree of life organization" .We introduced them the association and some topics about the association had been discussed with them such as the activities we provide to different groups of the society .

After that, we accompanied them to have a tour in the old city of Nablus in order to show them the historical part of Nablus and have a true story about the real situation .

YOUTH WORKSHOP

HSA continue to hold a meeting with youth aged 16-28 years , every Wednesday and Thursday at 2:00 pm . In this month they met together, and discussed many subject about community issues such as : " We are partners in community change ,Electronic extortion and its impact on family relations, and some meeting about "Learn intelligence games " .

One of the goals offered by HSA for youth is to provide a comfortable and secure environment for them and learn new information in a different subjects , and an opportunity to express their opinions about what they feel inside them, spend useful time together , also offer free activities that enables them to participate in a different activities, and build strong friendship .

The intercultural exchange between French and Palestinian children is still going well. This month, Palestinians received videos and letters from the " Collège La source, Mouthe" school in the East of France.

After introduction about each countries, we have created penfriends pairs between them,

to let them speak about their activities and know each other.

HSA visiting RCS

One of the initiative was organized during March by volunteers of HSA, was visiting RCS , the volunteers has played music and Sing traditional songs and danced " Dabkeh " with the oldpeople,Who enjoyed it a lot And had lots of fun .This initiative was done so as old people . feel that others care about them and enjoy being with them .
